AN EPIC PORTRAIT

FDR Is Subject Of History's Newest Presidential Miniseries, Based On Doris Kearns Goodwin's Bestseller.

Pulitzer Prize-winning presidential historian Doris Kearns Goodwin and actor Bradley Cooper are executive producers of *FDR*, a six-hour docuseries that is the fifth installment of History's successful series of presidential documentaries, following *Washington*, *Abraham Lincoln* and *Theodore Roosevelt*, all of which also involved Goodwin, and *Grant*.

This production, airing in two-hour installments over three consecutive nights (beginning Monday, May 29), is based on Goodwin's bestseller *Leadership: In Turbulent Times* and explores the political and personal trials that shaped Franklin Delano Roosevelt and his presidency. It charts FDR's formative years, his marriage to Eleanor Roosevelt, his early political career, his affliction with polio and how he translated his personal struggle with disability to connect to and help the American people navigate the depths of the Depression, and to ultimately be the right person at the right time to confidently lead America and the Allied nations through World War II.

The series uses dramatic narrative sequences, expert interviews, contemporary scholarship, archival footage and never-before-seen documents to chronicle Roosevelt's growth as a leader at one of the most perilous moments in history, with the immeasurable help of his wife and adviser, Eleanor.

"It's been a dream of mine to tell the story of Franklin and Eleanor in this way," Goodwin says, "so audiences can truly know them and understand how they inspired and improved our country with a 'new deal' that forever altered the way in which the federal government contributed to the health and well-being of its people."

FDR is History's fifth presidential miniseries and follows the success of both *Theodore Roosevelt*, which premiered in May 2022 and ranked as the network's best miniseries in two years, and the acclaimed third presidential miniseries, *Abraham Lincoln*, also produced by Goodwin. Additionally, *Grant* in May 2020 and *Washington* in February 2020 also set network records for viewership.

New HBO Documentary Explores The Life Of Mary Tyler Moore

She could turn the world on with her smile, and boy did she. Emmy-winning filmmaker James Adolphus (*Soul of a Nation*) directs this fascinating exploration into the iconic life of Mary Tyler Moore (premiering Friday, May 26). With unprecedented access to Moore's vast archive, the documentary chronicles her storied career that spanned 60 years. Weaving Moore's personal narrative — she was a role model for women but also struggled privately with immeasurable tragedy — the film celebrates her boundary-breaking career as Laura Petrie on *The Dick Van Dyke Show* and Mary Richards on *The Mary Tyler Moore Show*, as well as the indelible impact she had on generations of women who came after her. Family members, colleagues and stars like Rob Reiner, Ed Asner, Julia Louis-Dreyfus, Phylicia Rashad, Norman Lear and more share their own stories of Moore's influence.

"The Dukes Of Hazzard's" Tom Wopat Talks "County Line"

By Barb Oates

When it comes to serving justice, Tom Wopat knows how to take care of that. The famed Luke Duke of *The Dukes of Hazzard* (1979-85) has spent a bit of his TV, film and even Broadway career in a cowboy hat and boots, often chasing down the bad guys.

On Saturday, May 27 at 8pm ET, he returns to a familiar role as Sheriff Alden Rockwell in *County Line: No Fear*, the third movie in the popular film franchise, which will make its debut on INSP. "I had to ask my wife, 'So, where's the hat?'" Wopat tells us about slipping back into the role. "She said, 'Well, I think it's in the top of the hall closet.' And there it was, perched on top of a bunch of other stuff. As long as I have my hat and my boots, I'm pretty well ready to go. And the boots, those are the boots I wore in *Annie Get Your Gun*, with Bernadette Peters [for his Broadway run]."

The action-packed drama also sees the return of Kelsey Crane (*The Good Doctor*) and Patricia Richardson (*Home Improvement*), and the addition of Casper Van Dien (*Starship Troopers*). "It's like *Dukes* in the fact that there's no real blood, there's no cussing, there's no real sex, it's family-friendly," Wopat adds. "It's like when I was on *Longmire*, Longmire was the same kind of guy. He's family-friendly, and you know, it may be bittersweet, but it's going to work out the right way."

For Wopat, these are the best roles, too. While he appreciates guest appearances on popular series like *The Blacklist*, playing the "big dog" is always the most fun, especially when he's running around doing a lot of stunts.

"People ask me if I can still slide across the hood [of the famous General Lee car from *Dukes*]. Yes I can. That's the stuff that's always a lot of fun, though. I don't know about other actors, but back when we were doing the *Dukes* show, the physical stuff was always a blast. We always looked forward to it a great deal."

Wopat also wrote and sings the movie's title track "County Line," part of his newly released album *Simple Man*. Music has always been his first passion: acting was secondary. This album is his 13th.

5 QUESTIONS with ...

GARY SINISE

By Jacqueline Cutler

Working with veterans is a year-round mission for Gary Sinise. It's just that at the *National Memorial Day Concert*, viewers are reminded of the work he does through his eponymously named foundation. Sinise (*Forrest Gump*, *CSI: NY*) hosts the live event from the West Lawn of the U.S. Capitol with longtime buddy Joe Mantegna. During the 90-minute show (May 28 on PBS), honoring the true meaning of the holiday, bands from different branches of the military perform, interspersed with segments honoring Gold Star families, POWs, and other veterans. Wearing a baseball cap with an American flag, Sinise answers our "5 Questions."

1. How did you become involved with the concert? Joe Mantegna got involved after Sept. 11, and then Joe started hosting. He knew that I was very, very active with military support, veteran support and doing USO shows. He asked me to the concert in May of 2005 and to bring my band [the Lt. Dan Band, named after his *Forrest Gump* character]. The timing worked out perfectly because we were doing our first USO tour to Europ. It was magnificent, very moving and powerful. And they asked me to narrate a couple of segments during the show.

2. Why is this concert important? I hadn't seen the Memorial Day concert until Joe made mention of it to me.When I started doing it, it became just a very, very important way to highlight these stories of sacrifice and to remind the American people who tune in and who show up on the Lawn of the cost of freedom.

3. What job did you have before you were famous that still influences you? Artistic director at the Steppenwolf Theatre Company — just having to step up to a leadership position. I was one of the founders of the theater back when I was 18 years old. I was kind of a wild kid, so I just learned how to sort of take initiative. Over the years, I made some good decisions and some not-so-good decisions and probably learned as much from the not-so-good decisions as the good ones.

4. Tell us about a time you were starstruck. Meeting Jim Lovell, *Apollo 13* and *Apollo 8* astronaut and a great American hero of the space program. I was doing the film *Apollo 13* with Ron Howard. All of those great American heroes — legendary Americans who did something only a handful of people have done in the history of the entire world.

5. What were your favorite TV shows growing up? I remember coming home from school, and *The Andy Griffith Show* would be on every day after school. I grew up with Opie, and I became friends with Ron years later when we did a couple of movies together. Also, *Combat!* and *Bonanza*.

HOROSCOPES

By Yasmin Boland

Octavia Spencer, a Gemini (born May 25), of "Truth Be Told"

ARIES (March 21 - April 19) You have the power to control how your week pans out by being mindful. If you go into a spiral of negative thoughts, pull yourself out of it by counting your blessings. That said, it's a good time to face your fears. Find a balance between soul-searching and freaking out!

TAURUS (April 20 - May 20) There could be arguments with a friend this week or an upset about money. Your best bet is to stop trying to control everyone and everything and just let life roll. The more you can do that, the better your week will be. Make 'live and let live' your motto.

GEMINI (May 21 - June 20) The good news is the sun is now in your sign so you should start to feel rejuvenated. The less good news is there are some issues at work which you have to face before you can really start to reap the benefits of this cycle. Don't run away from your responsibilities.

CANCER (June 21 - July 22) Many Cancerians are going through a dark night of the soul right now. That's OK. We all have to turn inwards every now and then. Happily though, this week there should be light and shade. There could even be good news to do with love or money. Question your beliefs.

LEO (July 23 - Aug. 22) As you move into this new Pluto cycle, you're going to need to start to control your passions a little bit. Attempts to manipulate the people in your life are going to full flat or even have something like a comic backlash! Yes, you're special. Everybody else is special!

VIRGO (Aug. 23 - Sept. 22) When life gets tough, there's usually a karmic reason. In other words, our souls signed up for particular lessons and we have to learn them. That's what's happening currently for you. So do the hard yards emotionally now, for a better future. Life too tough? Friends will help you out.

LIBRA (Sept. 23 - Oct. 22) If you work hard and play nice this week, you'll quickly reap the rewards. If you slack off and/or treat people in a way that you wouldn't like to be treated though, it could be rough going! Remember, we really do get back what we give out. Be your best self.

SCORPIO (Oct. 23 - Nov. 21) If you've had upsets with people recently and you need to kiss and make up, this is a good week to do it. Don't expect others to just forgive and forget though. You may have to do a little bit of bowing and scraping to re-find favor. Say sorry if needed.

SAGITTARIUS (Nov. 22 - Dec. 21) You could hit something of a road block in one important relationship this week. The key is to be flexible rather than standing firm in your opinion and refusing to listen to anyone else. Luckily you're really good at doing this. Your good humor is your secret to success right now.

CAPRICORN (Dec. 22 - Jan. 19) The best thing you can do now is have a To Do list which you slowly but surely tick off with each day. The more mentally disciplined you are now, the happier you're going to be. The good news is that your after-hours look like fun right now. Strike a balance.

AQUARIUS (Jan. 20 - Feb. 18) Try not to let money worries spoil your week. The best thing you can do is move slowly and surely towards your financial goals with clever planning and strategic thinking. Focus on your home and personal life, and remember that's really what you live for. Home is where the heart is.

PISCES (Feb. 19 - March 20) No one said having taskmaster Saturn in your sign would be easy. This week you will be challenged to be a grown up even when all you want to do is go out and have some fun. If you rise to the challenge though, your life will be easier. Make the effort!

The Daytime Door Keeps Revolving: Camila Banus Is OUT As Gabi On "Days," Kate Mansi Is IN As Kristina On "GH"

One familiar face from *Days of our Lives* is leaving soaps, and another is coming back. Camila Banus, after a 13-year run in Salem, is exiting the show. Because of the show's advance lead time, she and her character, Gabi Hernandez DiMera, will be seen onscreen for many more months.

Why is she leaving now? The actress told *The Wrap* that it was time for a change but that she was also willing to consider staying. "I was honestly open to renegotiating a certain type of shooting schedule where I would have a little bit more time off," Banus said. "But they didn't go for it. And certain other factors that were involved that they didn't go for. At first, it was just easy to say, 'Well, if you can't meet these demands, then I can't,' and move on with a new contract. But then, you know, I talked to producers, and they had a call with me, and they were like, 'Well, what *can* we do?'"

Alas, Banus says the show wasn't able to accommodate a change to her workload, so she was left with making the decision she did. "I have to respectfully bow out and say thank you," she says. "That's all I can do."

Watch for Kate Mansi to start appearing on *General Hospital* as Kristina Corinthos, daughter of Alexis Davis (Nancy Lee Grahn) and Sonny Corinthos (Maurice Benard), the week of May 22. *TV Weekly* has learned that Mansi is taking over the role of Kristina from fan-favorite Lexi Ainsworth, who played the part since 2009. Ainsworth won the Outstanding Younger Actress Daytime Emmy in 2017 for playing Kristina.

In an Instagram post, Ainsworth described her departure from *GH* as a "mutually beneficial decision" that will "lead to new endeavors where I will continue to grow and expand my talents beyond the industry." The actress last appeared on *GH* on April 27 at Michael and Willow's wedding. Ainsworth also shared on social media that she'll appear in the May 22 episode of *NCIS*, the show's season finale.

Mansi also won a Daytime Emmy in 2017. She took home the gold for playing *Days*' Abby in the category of Outstanding Supporting Actress. Mansi last appeared on *Days* in 2020.

ASK MATT

HOW IS *AMERICAN AUTO* DOING?

@TVGMMattRoush

Question: What do you think of Season 2 of *American Auto*? I think it's suffered by debuting along with *Abbott Elementary*, but it is a very good comedy show. –*D.P.*

Matt Roush: I would agree the second season has been more confident in its weaving of story, character, and never-ending calamity at Payne Motors. If it helps illustrate my feelings towards the show, I was unhappily shocked to realize the April 18th episode was the last for the season, and I'll be rooting for its return, which is far from certain.You may be right that *American Auto* suffers by living in the shadow of a universally acclaimed and beloved series like *Abbott Elementary*, but this might have been a difficult mass-appeal sell to begin with because its characters (with the possible exception of Jack and Dori) are so insufferable, and it may be hard for anyone to sympathize with people who have squandered such promise and privilege while driving a major auto manufacturing company into the ground. As a satire, I'm enjoying it. But I'm a bit surprised that something this niche isn't a streaming exclusive on Peacock when more broadly accessible shows like *Poker Face* are relegated to the streaming platform.

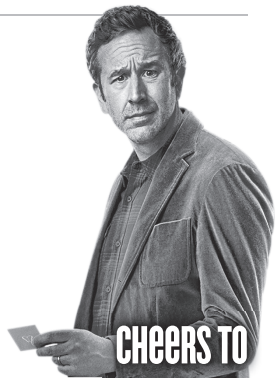
CHEERS & JEERS

by Damian Holbrook
TV Guide Magazine

@damianholbrook

Cheers to *The Muppets Mayhem*

for rockin' the house. Disney+'s unhinged, hilarious comedy about the making of Dr. Teeth and the Electric Mayhem's first studio album is a full-on symphony of sight gags, songs, fun guest stars and the fuzzy warmth of Jim Henson's greatest hits.



Cheers to *The Big Door Prize's*

winning charm. Part cozy comedy, part cryptic mystery, the Apple TV+ gem about lovable small-town folks learning their supposed destinies from a mystical vending machine is a quirky keeper and a *Ted Lasso*–caliber showcase for star Chris O'Dowd (above).

follow Cheers & Jeers

Jeers to *The Marvelous Mrs. Maisel*

for making Midge miserable. The final season of Prime Video's period hit has been giving us flash-forwards to the '80s, and it seems our favorite female comic (Rachel Brosnahan,below) has become a real diva.

Jeers to Surprise exits

on *American Idol*. Singers Sara Beth Liebe (below), Beckett Rex and Kaya Stewart abruptly quit Season 21, which has us wondering if it's even worth investing in the competition anymore.

Clockwise from top left: Disney; Philippe Antonello/Prime Video; ABC/Eric McCandless; Apple TV
